PROFILE

Full-stack developer with a GATE CSE qualification and 2+ years of FinTech domain expertise as an NISM-certified Mutual Fund Distributor. Built and deployed a Mutual Fund Screener & Portfolio Tracker (React, Node.js, Express, MySQL) that screens 11,000+ live funds — applying real investor workflow knowledge to solve gaps unaddressed by commercial platforms. Targeting entry-level software engineering roles where technical fundamentals and financial domain depth both add value.

EDUCATION

B.Tech — Electronics & Communication Engineering 7.95/10
Dr. Shakuntala Misra National Rehabilitation University, 2024

GATE - Computer Science and Information Technology (CSE), 2026 ~89th Percentile

PROJECTS

Mutual Fund Screener & Portfolio Tracker [[GitHub Link](#)] [[Live Demo](#)] [*JavaScript · Node.js · Express · MySQL · React*]

- Full-stack web app that screens 11,000+ mutual funds by category, risk, returns, and expense ratio using live AMFI data via REST API
- Implemented SIP Deployment Planner and Fund Switch Planner — calculates optimal lump sum / SIP split and installment count per fund; addresses gaps unavailable in platforms like Zerodha Coin
- Leveraging 2+ years of mutual fund distribution experience to drive product decisions and validate feature logic against real investor workflows

Sign Language to Text Conversion [[GitHub Link](#)] [*Python · TensorFlow · MediaPipe*]

- Trained a custom CNN on a self-built dataset of 400 images (4 gesture classes, 100 images each) using MediaPipe for hand-landmark detection. Deployed as an accessibility tool enabling real-time text output for hearing-impaired users.

WORK EXPERIENCE

Mutual Fund Distributor & Client Technology Advisor (NISM-Certified, Self-Employed) Jan 2023 – Feb 2025

- Managed ₹40L AUM across 6 client portfolios (equity, debt, hybrid); designed risk-based fund deployment strategies, monitored NAV, and executed timely portfolio rebalancing
- Converted 3 clients from traditional assets to SIP investing; scaled individual portfolios from ₹5K to ₹3–5 lakhs through data-driven fund selection
- Onboarded 8-10 clients onto Zerodha, BSE Star MF, and MF Utility; guided digital KYC, app navigation, and online transactions
- Conducted research using fund screeners, stock analysis tools, and AI platforms; communicated PE ratios, market trends, and risk metrics to non-technical clients; retained 100% client base through 2 market downturns

Industrial Trainee - UPRVUNL - Uttar Pradesh Rajya Vidyut Utpadan Nigam Ltd Sept 2023 – Nov 2023

- Assisted in operation and maintenance of thermal power generation systems at a state-owned power facility
- Gained hands-on exposure to PLC-based industrial automation using Ladder Logic (LAD) programming
